Dear Mr. Caudill,

In accordance with ORC 3313.666, I am submitting a written summary of all reported incidents of bullying occurring at Minford Elementary School that fall under the description of bullying as stated in ORC 3313.666. According to ORC 3313.666, "harassment, intimidation, or bullying" means any intentional written, verbal, or physical act that a student has exhibited toward another particular student more than once and the behavior both: causes mental or physical harm to the other student; is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

According to my records, and in following the definition of "bullying" as provided by the ORC, Minford Elementary has no incidents of bullying to report this year.

Sincerely,

Dennis M. Evans,
MES Principal
