SOMC - Good Afternoon Everyone

I hope everyone is staying healthy during this time. As you all know we are all doing business under many restrictions and safety measures.

With many of these restriction it has caused for a change in the plans for sports physicals.

Even though we were not able to do them at the schools because of the the closer or one single location because of mass gathering restrictions we have came up with a great plan still give all your athletes a free physical.

As you can see in the attached flyer your athletes have 7 locations and 6 weeks to be able to get their **free** sports physical.

Five of the locations are walk in and no appointment needed 7 days a week from 8 am - 8 pm and 2 locations an appointment can me made by calling the number on the flyer.

The challenge in the process is getting the form back from the athlete once they have completed the physical. Please work with your Athletic Trainer to come up with the process that will work best you and your school.

Please note that the athlete will need to go the appointment with the forms already filled out as stated on the flyer.

Please help spread the word on how your student athletes can receive their free sports physical through any communication process that you use in your school system (website, social media, all-call phone message).

Please get with your Athletic Trainer if you need anything and always feel free to reach out to me.

Hope to see everything back in action this coming fall.

Thank you and have a great summer.

Brad Zieber

Manager of Performance Training
